EVENT SPONSORSHIP

The Mexican American College Education Fund, Inc. (MACE) is celebrating 50 years of Scholarships and Aspirations. For half a century, MACE has partnered with the Fort Worth community to fund renewable scholarships to local high achieving students. In addition to financial support, recipients enter a network of encouragement and mentorship. MACE scholars personify strong academic and leadership qualities and continue to succeed in their careers.

We ask that you join our Golden Celebration and continue to fund 50 more years of MACE *Scholarships and Aspirations*. Our partnership levels directly support our MACE scholars to achieve collegiate success.
